Drs. Subrata & Saptarhi working together in Slum Fast Prescribing Clinic

Participants from different parts of the world

WHY THIS COURSE IS DIFFERENT:

- The course relates to simple, century-old, traditional homoeopathy and will demonstrate it works.
- The course will develop your Materia Medica.
- The course will teach you methodologies to open drug-dependent cases and ascertain a clearer picture of constitutional medicines.
- The course will develop your Miasmatic Prescribing.
- The course will develop your Comparative Materia Medica (through extensive remedy comparisons).
- The course will develop how to spot the medicine. Look and diagnose through gesture, posture and behavioural Materia Medica.
- The course will give you a practical methodology for this present drug-dependent world. This approach (<https://allencollege.co.uk/resource/practical-approach-classical-prescribing>) is aimed at giving you and your patient the confidence that homoeopathy is working within 1st or 2nd follow-up.
